

EVO Dual Bicep Curl/Tricep Extension

+ Key Features

Dual-Function Design

Supports both biceps curl and triceps extension exercises, enabling comprehensive development of arm strength.

Extended Dual-Angle Handle Design

Offers a natural, comfortable grip that self-adjusts to forearm rotation and keeps the wrist neutral throughout each movement.

2+3 Position Arm Adjustment System

Supports users with different forearm lengths, minimizing wrist stress for safer, more ergonomic training.

Ergonomic Arm and Chest Pads

Provide stable, body-aligned support for correct posture and enhanced comfort during exercise.

Six-Position Adjustable Seat

Adapts to users of various heights, ensuring optimal training alignment and performance.

Product Overview

VO3 EVO Biceps Curl/Triceps Extension combines bicep and tricep training in one machine, offering smooth resistance and ergonomic support for effective arm workouts.
