

VICTORY V4 – 4 Station Multi-Gym

+ Key Features

Four Independent Training Stations

Supports simultaneous multi-user workouts without congestion, including seated cable low row, lat pull-down, high/low pulley, and triceps extension stations.

Commercial-Grade Construction

Heavy-duty steel frame built for durability and long-term use.

Smooth Resistance System

Consistent cable movement for controlled, efficient training.

Versatile Full-Body Training

Supports upper- and lower-body strength exercises.

Product Overview

The VO3 V4 Commercial 4-Station Multi-Gym is a space-efficient, commercial-grade strength system designed for high-traffic training environments. Built to support multiple users simultaneously, this unit delivers smooth resistance, durable construction, and versatile training stations ideal for gyms, studios, and performance facilities.
