VO3 FITNESS

VICTORY
Leg Press / Hack Squat

Key Features

Multi-Function Training, Lower Body Optimization
Dual-function design allows quick switching between seated leg press and hack squat exercises, effectively targeting the quadriceps, hamstrings, and glutes in a single machine.

Two-Stage Footplate, Leg and Glute Training Versatility
Optimized two-stage footplate angles target glutes and quadriceps, offering multiple lower-body exercises and training benefits in one machine.

Full-Range Adjustment, Universal Fit
9-position seat and shoulder pad adjustments, plus a 5-position backrest, ensure a universal fit and easy, one-handed operation for efficient training.

Smooth Track, Fluid Contraction
Heavy-duty guide rails ensure smooth, friction-free movement and optimal muscle engagement through every squat.

Product Overview
