

VICTORY V1 Seated Leg Extension

+ Key Features

Precision Adjustment, Biomechanical Excellence
7-position ankle, 8-position backrest, and 5-position knee adjustments help accommodate a wide range of users for comfortable training.

Split-Design Seat Pad, Superior Support
The two-section seat provides added support behind the knees for improved comfort and stability during training.

Quick-Adjust Seat Handle, Time and Energy Efficient
The quick-adjust seat handle allows backrest adjustments without leaving the machine, supporting efficient workout transitions.

Precise Knee Joint Pivot, Enhanced Contraction
Through extensive biomechanical testing, we've identified the optimal pivot point position that perfectly aligns with the knee joint's movement axis, maximizing your quadriceps training efficiency.

Product Overview

The Victory V1 Seated Leg Extension features adjustable positioning and a pulley-based resistance system for comfortable, effective quadriceps training.

Specifications

- + **Dimensions (L x W x H):**
